SABOC 2010 WORKSHOP

Established in 1985

The San Antonio Business Opportunity Council or "SABOC", is a not-for-profit organization composed of representatives from federally-funded contracting organizations in the San Antonio area.

The purpose of the SABOC is to promote Small Business (SB), Veteran Owned Small Business (VOSB), Service-Disabled-Veteran Owned Small Business (SDVOSB), Historically Underutilized Business Zones (HUBZone) Certified Small Business, Small Disadvantaged Business (SDB), and Woman Owned Small Business (WOSB) concerns.

SABOC has been hosting small business federal contracting training workshops since 1987. As small business advocates, the council hopes to help sustain the San Antonio economy through the growth of small businesses in federal contracting.

One-on-one Counseling will be provided by the **City of San Antonio's PTAC and UTSA Contracting Resource Center** in the Elm Room.
